II Semestre

Para la realización de este prototipo, se utilizó Codecademy en referencia a html+css como fuente de investigación, para desarrollar las páginas necesarias para la futura base de datos.

Además se utiliza Bootstrap, modals y algunas utilidades de JavaScript.

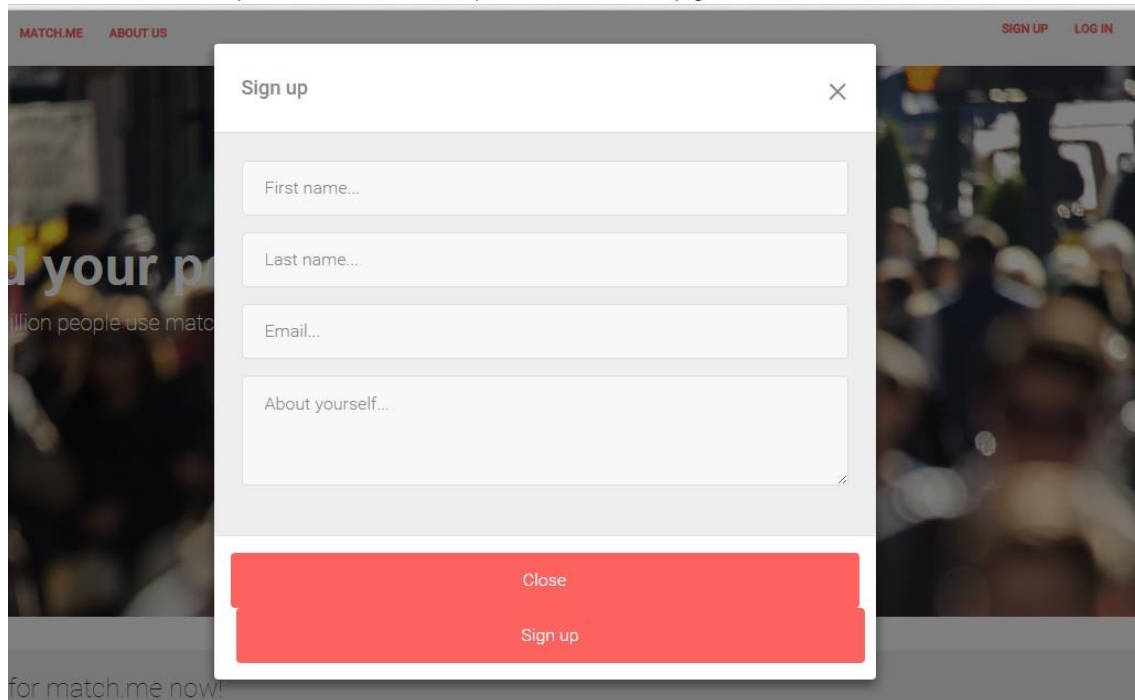

Manual de Usuario.

Se inicia con una página principal, en la cual permite ingresar o registrarse a la aplicación. Presenta información del sitio y además que perspectivas se puede esperar a la hora de estar asociado.

Al seleccionar la opción sign up, le aparecerá un formulario solicitando datos de interés para la elaboración de su perfil.

The image shows a web browser window displaying the Match.me homepage. A modal window titled "Sign up" is centered on the screen. The modal has a close button (X) in the top right corner. It contains four input fields: "First name...", "Last name...", "Email...", and "About yourself...". Below the input fields are two buttons: "Close" and "Sign up". The background of the webpage is blurred, showing the Match.me logo and navigation links like "MATCH.ME" and "ABOUT US".

Al terminar de completar la ventanilla, selecciona Sign up, y le aparecerá su sesión, solicitando más información.

- Basic information:

The image shows a web browser window displaying the Match.me profile creation form. The browser's address bar shows the file path: file:///C:/Users/YanilGomez/Desktop/Match%20me/Nueva%20carpeta/Match%20me/fill-out-profile.html#. The Match.me logo is visible in the top left corner. The navigation bar includes links for PROFILE, MESSAGES, NOTIFICATIONS, and SETTINGS. The form is divided into sections: BASIC INFORMATION, EDUCATION AND WORK, PHYSICAL INFORMATION, LIFESTYLE, and INTERESTS AND HOBBIES. The BASIC INFORMATION section is currently active and contains the following fields: Full name (with a sub-field for Full name...), Surname (with a sub-field for Surname...), Tagline (with a sub-field for Describe yourself in a few words...), and Birthdate (with a sub-field for dd/mm/yyyy).
