Match.me user manual

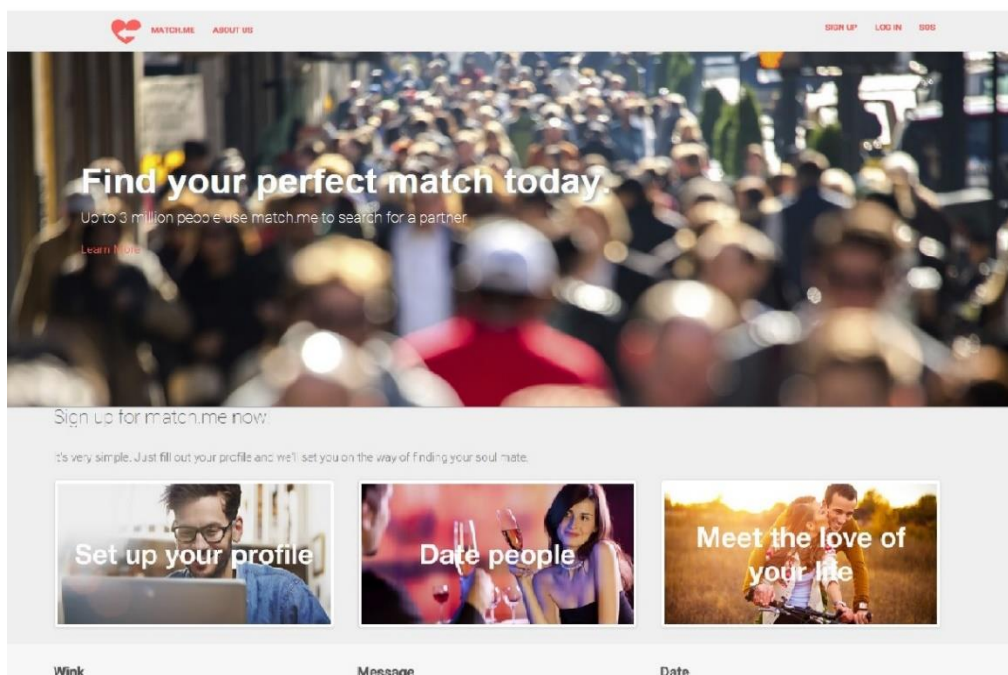

The present document is a guide to interact with match.me. You can make a profile and fill it with your information.

With the obtained information, the system will look for the people who are compatible to be your partner, given the information of both and guiding itself by what you input to the application.

User:

System sign in

Type the url <http://172.26.50.118/MatchMe/HTMLs/> on your browser, preferably

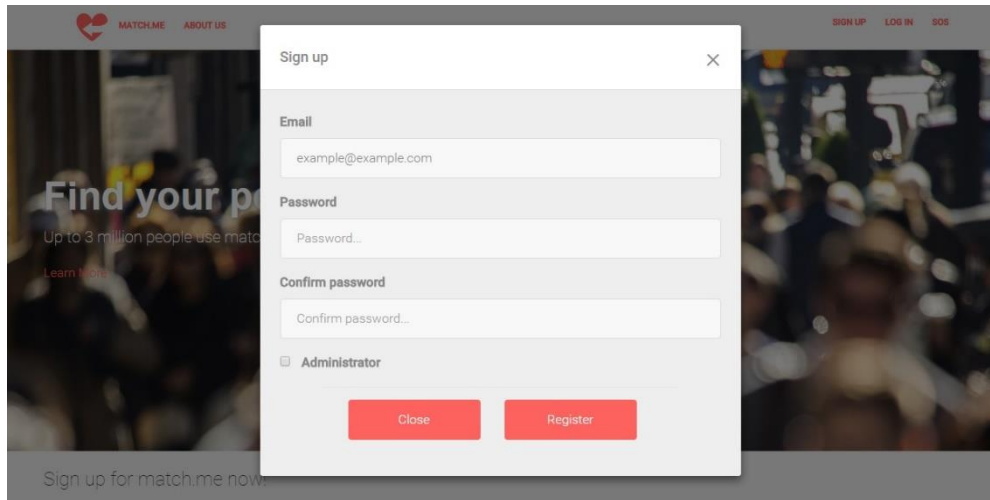

Chrome, and it will direct you to our homepage.

Create a match.me account

Select “Sign up”, and a modal will show up with the next values:

- Email
- Password

- Confirm password

The image shows a 'Sign up' modal form overlaid on a website background. The form has a title bar with 'Sign up' and a close button (X). It contains three input fields: 'Email' (with 'example@example.com' entered), 'Password', and 'Confirm password'. Below these fields is a checkbox labeled 'Administrator'. At the bottom of the form are two red buttons: 'Close' and 'Register'. The background website has a navigation bar with 'MATCH ME' and 'ABOUT US' on the left, and 'SIGN UP', 'LOG IN', and 'SOS' on the right. The main content area of the background features the text 'Find your p...', 'Up to 3 million people use match...', and a 'Learn more' link.

After filling out this form, select “Register”. The application is going to direct you to create your profile. Some of this data is obligatory.

On your profile, you are going to see a table with different tabs, on which your information is organized. If you want to see it, click on every tab.

If you want to look for people by their name, last names, age, city, country, hobbies, interests, eye color, hair color, skin color, sexual orientation, body type, languages, gender, religion, zodiac sign, relationship status or exercise frequency, you can do so.

Select “Search”

It will lead you to a page with all former search values, as follows:

SEARCHPROFILEMESSAGESNOTIFICATIONSSETTINGSLOG OUT

Pablo Sanchez Rivas, 24

Like soccer

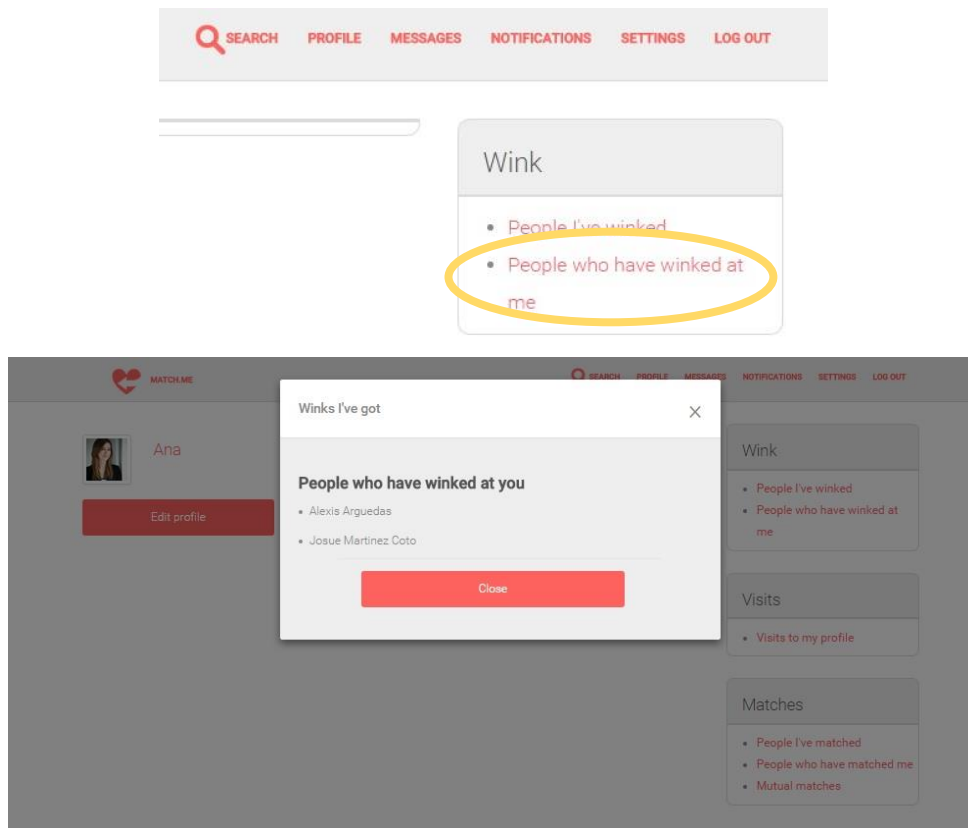

Lives in: Cartago, Costa Rica

In order to see which people you have winked at, select “People I’ve winked” on your homepage. A modal will pop up showing you their names.

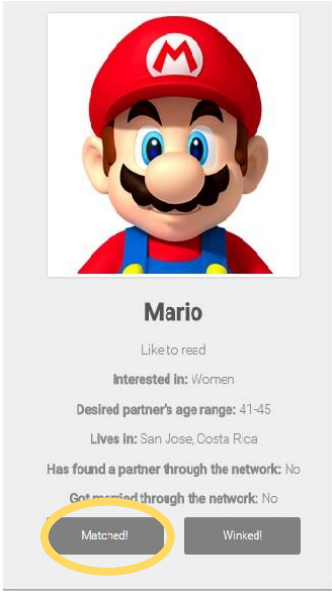

In order to see which people have winked at you, select “People who have winked at me” on your homepage. A pop-up will appear showing you who has winked at you.

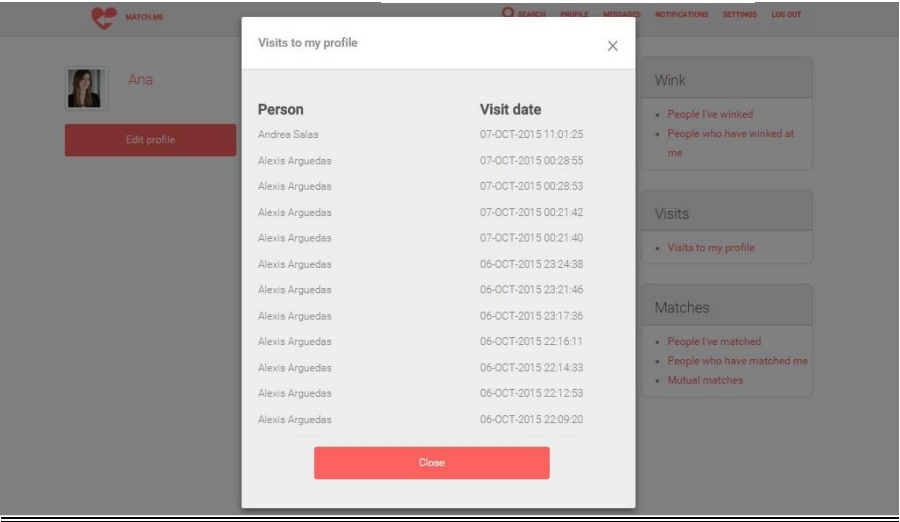

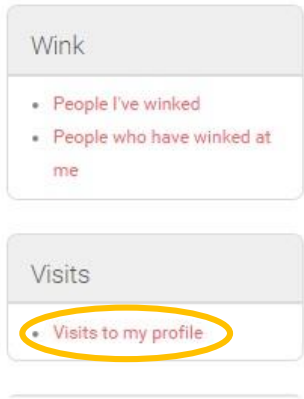

When visiting a person, which is only possible if you search for them first, you can either Wink at them or select that you matched if you met. The button will actualize immediately.

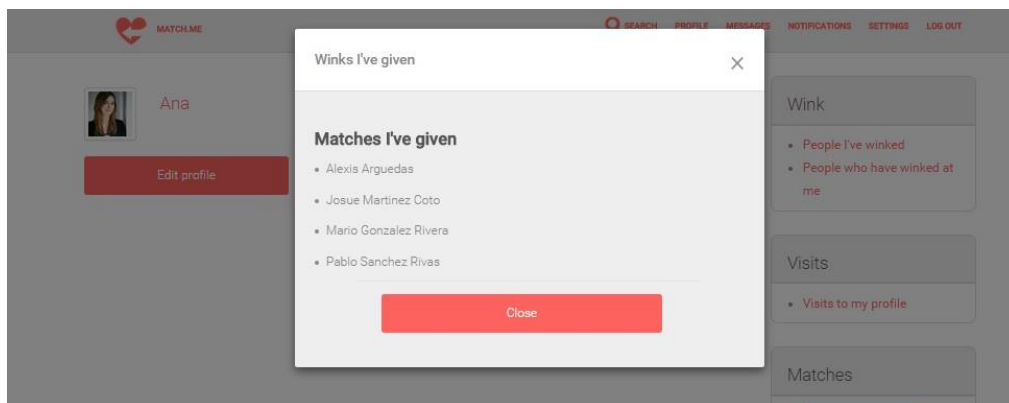

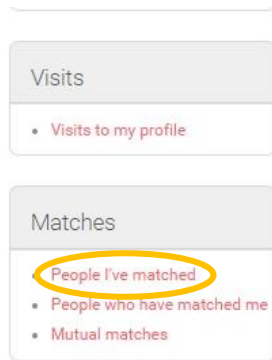

Both values are going to be registered and are going to be visible by the user you winked or matched.

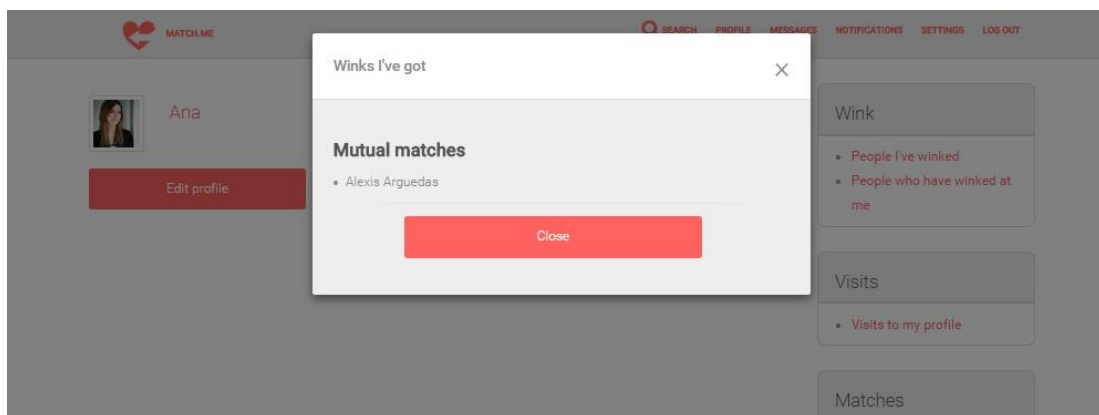

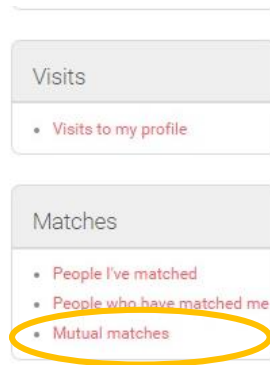

To see who has visited your profile, select “Visits to my profile” on your homepage.

To see who has matched you, select “People who have matched me”. To see who you have matched, select “People who have matched me”; both on your homepage. In both cases a modal will show up with the asked for data.

You can also visualize your mutual matches; which means someone you have matched and who has matched you back. You can see this by clicking on “Mutual Matches” on your homepage. A modal will show up with their names.

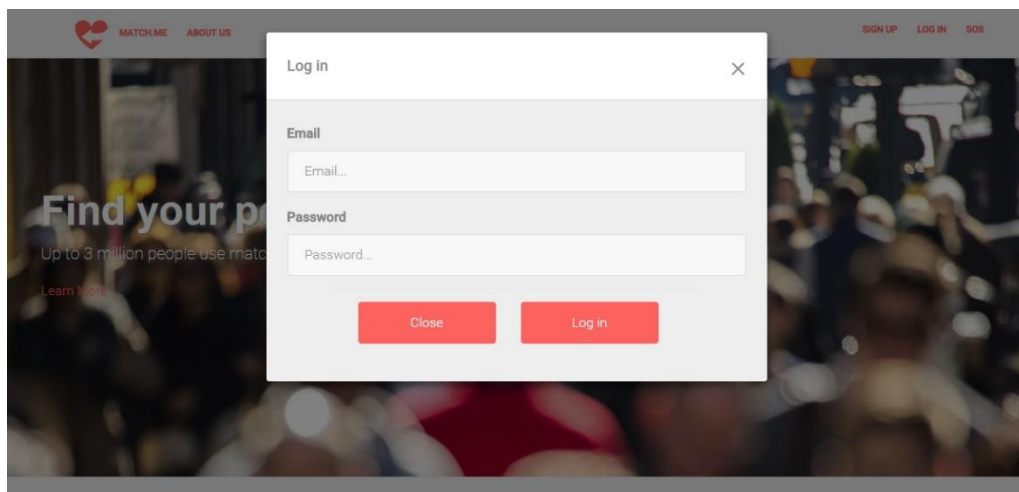

Administrator

Log into the system normally, by inputting your

- Email.
- Password.

And selecting Log in. If you were designated on the database as an administrator, the system will identify you as such.

As an administrator you can modify the catalog's entries.
